## TERMS AND CONDITIONS

Our clinic guarantees that only the highest quality materials and the best techniques will be used for your treatment. In case you would need a list of the producers of the materials used during your treatment, we will make sure you get all the information you need. This way you can contact the manufacturer directly in case you have any questions regarding allergies. This way you can also view the EU-certificates of each of our manufactures.

### For this reason , we offer you an extended warranty for the dental prosthetics manufactured by us

- |   |         |
|---|---------|
| • Dental Implants   | 5 years |
| • Porcelain fused to metal crown  | 2 years |
| • Full porcelain zirconium crown  | 5 years |
| • Completely removable dentures (prosthesis) Partial removable dentures | 2 years |
| • All connection elements   | 1 year  |
| • Veneer, inlay   | 2 years |

### Guarantee conditions

- Dental check-up and examination and mouth hygiene at least once a year (You can go to your local dentist to have your examination and dental hygiene treatment. You will need to get a statement from your local dentist on their letter headed paper and send it to us via e-mail, to prove you had a check- up, a dental hygiene treatment and any recommendation your dentist made in order to maintain the work.
- Any treatments necessary to maintain the condition of the work recommended by the treating dentist is done (e.g professional dental clean & hygiene, overdenture founding)
- Ordinary use of the denture
- Denture is appropriately kept clean
- The denture is not exposed to trauma and / or disease in the bone and / or gum
- There is no debt on the account (all treatment is fully paid for)

### The Guarantee is not valid in the following cases

- Failure to attend annual check ups
- Keeping your denture and / or crowns, bridge inappropriately clean, and in case of inappropriate dental hygiene
- Not ordinary use of the dental work (e.g extreme force bigger than the physiologic biting (occlusal) force that leads to increased loading pressure of the denture / crown(s) / bridge
- In case of smoking, there is no guarantee for dental implants, bone grafting and soft tissue (gum) treatment
- Mechanical damage to the removable denture (fall, combat sport or accidental drop)
- Chemical damage caused by chemical agents (concentrated alcohol, chemicals)
- Jaw diseases due to systemic diseases (such as infections or cancer disease and the effect of their treatment)
- Accidents and the consequences of their emergency procedures and interventions
- Problems due to psychological illness, sickness or other mental disease
- Root treatment as a consequence of earlier treatment to the tooth (filling, crown preparation)
- Allergies, dental diseases that start after treatment not known prior to the treatment and the consequences thereof
- Damages established due to extreme use (teeth grinding at night, teeth pressing)

### Disclaimer

- A. In case you received a preliminary treatment plan via e-mail or by post, it might happen, that during the physical examination certain changes in the plan have to be applied. If that is the case you will be informed.
- B. During surgical treatments it might happen, that changes in the overall treatment have to be applied. This might result in changes in your travel plans, for which the Dentalklinik Dr. Tóka will not be held responsible.
- C. The Dentalklinik Dr. Tóka will not be held responsible for any financial changes of your stay or travel caused by changes in your treatment like in point A. or point B.
- D. This treatment plan was created by the Dentalklinik Dr. Tóka and all payments have to be made to the Dentalklinik Dr. Tóka directly.

During the treatment it might happen, that small changes have to be applied. In these cases small financial changes might occur about which the treating dentist might only be able to tell you after the treatment (for example larger filling needed, than expected due to a larger cavity in situation that first shown on the x-ray).

In regard of the terms and conditions as explained above you hereby agree to compensate financial changes in the treatment plan.
